

## Firm Foundation

Aaron Shust

Oh I have found a rock where I can stand  
When every other ground is sinking sand  
Oh I have found the truth that breaks the dark  
And love that mends a broken shattered heart

Oh how firm a foundation  
What a comfort and peace  
I am found in the arms of  
Jesus Christ my King

Thought fiery trials in my pathway lie  
His all sufficient grace is my supply  
And though sorrow and trouble 'round me rage  
He will be my refuge in the flame

Oh how firm a foundation  
What comfort and peace  
I am found in the arms of  
Jesus

Oh how firm a foundation  
What confidence He brings  
I am found in the arms of  
Jesus Christ my King

Fear not He is with us  
Oh be not dismayed  
Fear not He is with us  
Oh be not dismayed

Oh how firm a foundation  
What comfort and peace  
I am found in the arms of  
Jesus

Oh how firm a foundation  
What confidence He brings  
I am found in the arms of  
Jesus Christ my King
