

Forevermore

Aaron Shust

Long before the earth
before there was light
Lord, you were
endless are you God
No time can contain
all you are

There's no other God before you
there is no one to replace you
you are forevermore

There's no other God I call to
You are the one I cling to
you are forevermore

faithful are you God
You never change
Lord, you are

Only you are God
forever you reign
above it all

There's no other God before you
there is no one to replace you
you are forevermore

There's no other God I call to
You are the one I cling to
you are forevermore

there's no other
no one greater
there is none like you (2X)

There's no other God before you
there is no one to replace you
you are forevermore

There's no other God I call to
You are the one I cling to
you are forevermore

There's no other God before you
there is no one to replace you
you are forevermore

There's no other God I call to
You are the one I cling to
you are forevermore

You are forevermore
