

Greater Is He

Aaron Shust

By the power of Jesus name
Strongholds break
He's our fortress and our strength
God, we will trust in You

Heaven moves and darkness quakes
When we pray
He is strong and He will save
God, we will trust in You

Greater is He that lives in us
Than he that is in the world
There is no power strong enough to fear
He is our firm foundation
And our hope has been secured
Greater is He that lives in us
Than he that is in the world

Here and now we will proclaim it
Our God saves
Standing firm, we shout our praises
God, we will trust in You
Pressing on to take the promise
We will praise
Nothing here can ever harm us
God we will trust in you

Take heart
Our God
Has overcome the world
