

## One Day

Aaron Shust

One Day I will leave this body  
And I will get a perfect one  
That day I will see His glory  
Shining like the noonday sun  
One day, I'll take a walk with Jesus  
He might explain the mysteries of life  
Some say, I just can't believe it  
But I know that one day

We will gather at the Crystal Throne  
All these years: we're finally home  
I can actually see His face  
And all I can do is say

Holy, Holy is the Lord Almighty  
Who was and is and is to come  
We lay our crowns before You  
Every heart and soul adore You  
The God of gods, Almighty One

One day, death will be abolished  
And sin will have it's mastery no more  
And I know that we will be astonished  
At all that our Creator has in store  
One day we will meet our Savior  
And He will give each one of us a stone  
Engraved with our names upon it:  
Known by God alone
