

# That's As Close As I'll Get To Loving You

Aaron Tippin

Maybe we'll never be seen together  
At night on a crowded street  
I may never reach across your body  
And kill the light when you're asleep

Maybe I'll never watch you dressing  
Or sound too familiar on the phone  
But I can touch your hand that's against me  
And take that moment home

That's as close as I'll get to loving you  
Even though there's nothing else I'd rather do  
I can dream, I can hope, I can see but still I know  
That's as close as I'll get to loving you

I won't be there when you need holding  
But I'm sure that he can pull you through  
But I can sing this song to everybody  
And pretend it's not about you

That's as close as I'll get to loving you  
Even though there's nothing else I'd rather do  
I can dream, I can hope, I can see but still I know  
That's as close as I'll get to loving you

That's as close as I'll get to loving you  
Even though there's nothing else I'd rather do  
I can dream, I can hope, I can see but still I know  
That's as close as I'll get to loving you

That's as close as I'll get to  
Yeah that's as close as I'll get to  
That's as close as I'll get to loving you
