

These Sweet Dreams

Aaron Tippin

You reach out and touch me and tell me you love me
And promise that you always will
But as I start to kiss your tender lips
I wake up to my living hell

These sweet dreams are killin' me
Your heavenly memory is pure misery
I'm losing my mind, one night at a time
These sweet dreams are killin' me

When sleep comes, I hold you just like I used to
In a world where our love still lives
But each mornin' I wake as I feel my heart break
When I lose you all over again

These sweet dreams are killin' me
Your heavenly memory is pure misery
I'm losing my mind one night at a time
These sweet dreams are killin' me

Yes, I'm losing my mind one night at a time
These sweet dreams are killin' me
These sweet dreams are killin' me
