

Christopher Droner

Ab-Soul

Bunch of fuckin' drones
Bunch of drones, can't think for your own
Bunch of fuckin' drones
Bunch of drones, can't think for your own
Bunch of fuckin' drones
Bunch of drones, can't think for your own
Bunch of fuckin' drones
Bunch of drones, can't think for your own

Can't think for your own
Can't think for your own
Can't think for your own
Can't think for your own

Out my window all I see is Babylon, grab your gun
You ain't a knight tonight, you won't live to see the mornin' sun
Yellow tape, pistols in your face, hold on, show no weakness
Money, murder, grab your burner, cabins burnin', where is free?
Soulo, yeah I'm the one you heard about
Fuck's gotten into Herbert now? He's so foul he's got birds around
Had it my way like it's Burger King
You don't want beef, put that burger down
Don't go against my coalition, you can kiss my Colin Powell
Guess it's in my heritage, I double-cross snakes and go ape shit
Psychedelic, she left on her heels and I'm chewin' pills, I can't taste shit
My dick look like a spaceship, "Stairway to Heaven" on my playlist
On 9/11 I called 9-1-1 and the voice recording said this

About face, about face, about face, about face
About face, about face, about face
Can't think for your own

This ain't no manifesto, you niggas know me
My niggas manifest O's of the Oakley
High tech sippin' high tech like Detroit Red used to coach me
AB, see he, D-E, F though (most G)
No pen though, I just pulled this shit out the wind, bro
Ain't got shit to lose, but a win bro, it's a win, bro, this shit's simple
Gettin' dough like Papa John, your momma all on Papa John
Ain't got no chain, I ain't no slave
Ain't got no watch, I ain't got the time
The SWAT team got robots and I'm thinkin' 'bout coppin' mine
Literally, fuck a pair of shoes, I'm cockin' nines, dare you to shoot
Headline, Ab-Soul facin' fed time
Rewind, it wasn't 'bout that, no rat but I'm droppin' dimes
Iceberg Slim with the furs on, I knows war, that's real talk
All my life, I knew I was ill, Rock had me on the billboard
In God I trust, I ain't no fool, no
But on the real, I just hope my credit card does too, Soul

I bought some Alexander Wang, after I heard "New Slaves"
Went and bought some Alexander Wang, after I heard "New Slaves"
Y'all niggas can't fuck with Soul, y'all niggas can't fuck with Soul
Y'all niggas can't fuck with Soul, y'all niggas can't fuck with Soul...
