

# Nothing's Something

Ab-Soul

Why everything supposed to be bad, make me feel so good?  
Everything they told me not to is exactly what I would

I wish a nigga would try to take my shit  
Cause a nigga wish he could do it like this  
I can't even take a piss without a nigga trying to take a pic  
I just want to fuck a few hoes, take my pick  
Backwoods with the hash in 'em bad bitch, skinny jeans, fat ass in 'em  
You ain't never seen a lime of light  
I might fuck around and do a line tonight  
Codine cups, paint a picture so vivid  
Fucking to the Weeknd, on the weekend  
That ain't too provocative, is it?  
If it's not, that's just a warning  
You know I got it if you want  
No, I couldn't tell you how the world function  
But I'm headed to the function  
This shit ain't about nothing  
No this shit ain't about nothing  
But it's gotta be something  
They say I'm so selfish  
I ain't think about nothing  
Unless it's making me something  
Matter fact fuck that  
I ain't worried about nothing  
No, I ain't worried about nothing  
It's always something

The cars, the clothes, the ice  
It's always something  
The stars, the moon, the lights  
It's always something  
The cars, the clothes, the ice  
It's always something  
The stars, the moon, the lights

Why everything supposed to be bad, make me feel so good?  
Everything they told me not to is exactly what I would

I wish a nigga would try to take my shit  
Cause a nigga wish he could do it like this  
We in the world of material vixens in your videos  
Hermes belt, shirt will make your ho melt  
Issey Miyake all over my body  
My heart beats off beat, still the life of the party  
YSL, iPhone wireless cell  
I'm high as hell, by the end of the night  
I might need bail if a nigga test my mic  
I ain't a bitch for nothing, end of discussion  
And I couldn't tell you how the world function  
But I'm headed to the function  
This shit ain't about nothing  
No that shit ain't about nothing  
But it's gotta be something  
They say I'm so selfish  
I ain't think about nothing  
Unless it's making me something

Matter fact fuck that  
I ain't worried about nothing  
No, I ain't worried about nothing  
It's always something
