

You're Gone

Ab-Soul

Girls, girls, girls, girls, girls, girls,
More girls, girls, girls, girls, girls, girls
More girls, argh

I came up with this, staring at a beautiful bitch
Nice ass, nice tits, nice legs, nice hips
Wish I could take you home and strip you butt naked
Then put you in a cage and feed you grapes all day long
I'm a dreamer please forgive me baby
I'm just so determinated
To get you to demonstrate
What you do with the men you dated
And me against the wall, and give you all
I never point no fingers
And since you been good, I slipped a present in that drank, you drankin'
And since you been good, I slipped a present in that drank, you drankin'
And since you been good, I slipped a present in that drank, you drankin'

You're gone, you're gone, you're gone, you're gone
You're coming back again
You're gone, you're gone, you're gone, you're gone
You're coming back again
Girls, girls, girls, girls, girls, girls,
More girls, girls, girls, girls, girls, girls
More girls, OOW!

Herbert, the pervert, all 3 eyes up her skirt
I won't stop till I get it, won't stop till I get it
Persistence is the key, real shit, you gon' remember me
She got straight A's in High School she'll take the D
I need that, make it easy like ABC
I ain't into playing game, don't own a Wii, a PlayStation 3
Biatch, don't be shy, make it nasty
I won't mind, I like it nasty
My flow is nasty, my dough is nasty
I put my tongue there if you ask me
Lively, you feisty, I like feisty
I like good girls, I like bad girls
I like ratchets, I like wifeys
I like virgins, I like mommies
So let's get more acquainted
And since you been good, I slipped a present in that drink, you drankin'
And since you been good, I slipped a present in that drink, you drankin'
And since you been good, I slipped a present in that drink, you drankin'

You're gone, you're gone, you're gone, you're gone
You're coming back again
You're gone, you're gone, you're gone, you're gone
You're coming back again
Girls, girls, girls, girls, girls,
More girls OWW!, girls, girls, girls, girls, girls
More girls, OWW!
