

# She Gave Up The Ghost

Abacinate

Lost, consumed in a moment  
Engulfed by illusions behind her eyes  
There is no solution to being a liar  
Deceiving the beast  
This all made sense until just then  
Let's just pretend that god is dead  
Pressed... Back is breaking, Praise her eyes  
No solitude within the lusting mind  
Please believe me and waste your time  
This all made sense until just then  
Let's just pretend that god is dead  
No certain direction but certainly blind  
Regress is endless as the end of all time  
Smashing all boundaries, never confined  
Burning my bridges, cutting my ties  
Now... Faced with consequence... Should have planned it ahead  
Might as well be dead, Over and over again  
A Fuck that's the slice of all time  
And I must be out of my mind  
I can't begin to describe this shit  
You've got me out of my mind bitch, you!  
Slaughter your Daughter  
Misogynistic killing spree  
Her blood is so hot  
I will do this just for me  
My Sword stays Wet  
I am now beside myself  
Regret? Remorse?  
It's too late to think of that  
Your Cunt...  
She's giving up the Ghost again  
Whore? Slut?  
Or just another Fuck-Friend?  
Or Love?  
I won't forget what you just said  
Now You're Dead  
Score One for Jesus; It's a Sin - Pray...  
What The Fuck?!  
One Less Mouth to Feed for me  
The end result is like Blood in your Feces  
What I've done I can't take back  
The eyes roll back in the head as I stand and  
Watch Her Bleed  
If anyone's dead it should be me  
What in the god-damn Hell could I have been thinking  
What I've done I can't take back  
I guess it's time to end this life  
Why My Life?  
I can't Lie for long  
I Just need to Off Myself, Your Blood is my Shelter  
It feels just like back in the Day, Playing with Razors  
We can be Free and Rot in Hell, I'll Love You Forever  
A Fuck that's the slice of all time  
And I must be out of my mind  
I can't begin to describe this shit  
You've got me out of my mind bitch, you!  
-This brings us Closer-
