Abandoned Pools

Welcome to the world My little virgin baby doll Can you save me? I set you off With the tip of my tongue Spinning Never coming back

I wanna dig for gold Wear the crown of forever lost souls

I'll be nothing Forever

Jill went up the hill And gave herself the will To kill her fear Now she's unstoppable Indestructable The incorruptible Forever lost soul

Just a mercy kiss Born of emptiness I'm so sick of this And your fakin'...
