

# I Need You

ABBA

ni-ni-ni-ni  
Need You I Need You  
I Don't just say for you  
Then I Love You

You think then I want you  
but I need you  
and I love you  
You must know who loves you  
so just I

I think then I very embarrassed  
When I'm giving a small ball for you  
I am ashamed.....

R: I Need you I need you  
I love you and my heart is feeling it  
I need you I need you  
I Love you and I'm going everywhere with you because I love you  
u

ni-ni-ni-ni  
Need You I need you  
And I remember to our happy days  
When we are smiling in the snow

I can still recall!  
The Days when I Was in your arms  
Got to know that we've been Trying  
The Places I had planned for us to go  
why you are come to the evil world?

R: I Need You I need You  
I love You and my heart is feeling it!  
I need you I need you I need you

I love you and you love me  
I need you I need you I need you....
