

# If It Wasn't For The Nights

ABBA

1. I got appointments, work I have to do  
Keeping me so busy all the day through  
They're the things that keep me from thinking of you  
Ohhh baby, I miss you so, I know I'm never gonna make it  
Oh, I'm so restless, I don't care what I say  
And I lose my temper ten times a day  
Still it's even worse when the night's on its way  
It's bad, oh, so bad

R: Somehow I'd be doing alright if it wasn't for the nights  
(If it wasn't for the nights I think that I could make it)  
I'd have courage left to fight if it wasn't for the nights  
(If it wasn't for the nights I think that I could take it)  
How I fear the time when shadows start to fall  
Sitting here alone and staring at the wall  
Even I could see a light if it wasn't for the nights  
(Even I could see a light I think that I could make it)  
Somehow I'd be doing alright if it wasn't for the nights  
(If it wasn't for the nights I think that I could take it)

2. No one to turn to, you know how it is  
I was not prepared for something like this  
Now I see them clearly, the things that I miss  
Ohhh baby, I feel so bad, I know I'm never gonna make it  
I got my business to help me through the day  
People I must write to, bills I must pay  
But everything's so different when night's on its way  
It's bad, oh, so bad

R: Somehow I'd be doing alright if it wasn't for the nights...

3. If it wasn't for the nights  
(If it wasn't for the nights I think that I could take it)  
if it wasn't for the nights  
(If it wasn't for the nights I think that I could make it)  
Even I could see a light if it wasn't for the nights  
(Even I could see a light I think that I could make it)  
Guess my future would look bright if it wasn't for the night  
s  
(If it wasn't for the nights I think that I could take it)
