

If It Wasn't For The Nights

ABBA

1. I got appointments, work I have to do
Keeping me so busy all the day through
They're the things that keep me from thinking of you
Ohhh baby, I miss you so, I know I'm never gonna make it
Oh, I'm so restless, I don't care what I say
And I lose my temper ten times a day
Still it's even worse when the night's on its way
It's bad, oh, so bad

R: Somehow I'd be doing alright if it wasn't for the nights
(If it wasn't for the nights I think that I could make it)
I'd have courage left to fight if it wasn't for the nights
(If it wasn't for the nights I think that I could take it)
How I fear the time when shadows start to fall
Sitting here alone and staring at the wall
Even I could see a light if it wasn't for the nights
(Even I could see a light I think that I could make it)
Somehow I'd be doing alright if it wasn't for the nights
(If it wasn't for the nights I think that I could take it)

2. No one to turn to, you know how it is
I was not prepared for something like this
Now I see them clearly, the things that I miss
Ohhh baby, I feel so bad, I know I'm never gonna make it
I got my business to help me through the day
People I must write to, bills I must pay
But everything's so different when night's on its way
It's bad, oh, so bad

R: Somehow I'd be doing alright if it wasn't for the nights...

3. If it wasn't for the nights
(If it wasn't for the nights I think that I could take it)
if it wasn't for the nights
(If it wasn't for the nights I think that I could make it)
Even I could see a light if it wasn't for the nights
(Even I could see a light I think that I could make it)
Guess my future would look bright if it wasn't for the night
