- 1. I got appointments, work I have to do Keeping me so busy all the day through They're the things that keep me from thinking of you Ohhh baby, I miss you so, I know I'm never gonna make it Oh, I'm so restless, I don't care what I say And I lose my temper ten times a day Still it's even worse when the night's on its way It's bad, oh, so bad
- R: Somehow I'd be doing alright if it wasn't for the nights
  (If it wasn't for the nights I think that I could make it)
  I'd have courage left to fight if it wasn't for the nights
  (If it wasn't for the nights I think that I could take it)
  How I fear the time when shadows start to fall
  Sitting here alone and staring at the wall
  Even I could see a light if it wasn't for the nights
  (Even I could see a light I think that I could make it)
  Somehow I'd be doing alright if it wasn't for the nights
  (If it wasn't for the nights I think that I could take it)
- 2. No one to turn to, you know how it is
   I was not prepared for something like this
   Now I see them clearly, the things that I miss
   Ohhh baby, I feel so bad, I know I'm never gonna make it
   I got my business to help me through the day
   People I must write to, bills I must pay
   But everything's so different when night's on its way
   It's bad, oh, so bad
- R: Somehow I'd be doing alright if it wasn't for the nights...
- 3. If it wasn't for the nights
   (If it wasn't for the nights I think that I could take it)
   if it wasn't for the nights
   (If it wasn't for the nights I think that I could make it)
   Even I could see a light if it wasn't for the nights
   (Even I could see a light I think that I could make it)
   Guess my future would look bright if it wasn't for the nights
- (If it wasn't for the nights I think that I could take it)
