

Just Like That

ABBA

Just Like That!
He walked into my house as smug as a cat
He was handsome and smart
Walked away with my hearth
Just Like That!
He found a temporary home in my flat
Telling innocent lies
Throwing dust in my eyes
But I lead him on
Knowing that someday soon he'd be gone
Just Like That!
As tough he'd only stopped a while for a chat
Bud my secrets he learned
Leaving no stone unturned

Just like that
He walked into my house as smug as a cat
He was handsome and smart
Walked away with my heart
Just like that
As though he only stopped a while for a chat
But my secrets he learned
Leaving no stone unturned
Just Like That!
