My Love, My Life

I've seen it on your face Tells me more than any worn-out old phrase So now we'll go separate ways Never again we two Never again, nothing I can do Like an image passing by, my love, my life In the mirror of your eyes, my love, my life I can see it all so clearly (See it all so clearly) Answer me sincerely (Answer me sincerely) Was it a dream, a lie? Like reflections of your mind, my love, my life Are the words you try to find, my love, my life But I know I don't possess you So go away, God bless you You are still my love and my life Still my one and only

I've watched you look away Tell me is it really so hard to say? Oh, this has been my longest day Sitting here close to you Knowing that maybe tonight we're through

Like an image passing by, my love, my life...

Yes I know I don't possess you So go away, God bless you You are still my love and my life Still my one and only
