

# One Man, One Woman

ABBA

No smiles, not a single word at the breakfast table  
Though I would have liked to begin  
So much that I wanna say, but I feel unable  
You leave and slam the door  
Like you've done many times before  
And I cry and I feel so helpless

One man, one woman  
Two friends and two true lovers  
Somehow we'll help each other through the hard times  
One man, one woman  
One life to live together  
One chance to take that never comes back again  
You and me, to the end

Outside I can see the sun through the open window  
Inside everything feels so cold  
What's wrong, what is happening, where did all our love go?  
Sometimes when I just can't cope  
I cling to a desperate hope  
And I cry and I feel like dying

One man, one woman...

Daydreams of a better life, but I have to wake up  
The sound of the key in the door  
You smile and I realise that we need a shake-up  
Our love is a precious thing  
Worth the pain and the suffering  
And it's never too late for changing

One man, one woman  
Two friends and two true lovers  
Somehow we'll help each other through the hard times  
One man, one woman  
One life to live together  
One chance to take that never comes back again  
You and me, to the end  
You and me, to the end
