

# Shine

ABBA

You give me love  
You give me love  
You give me love  
You give me love  
You give me

In the morning see you shine  
Feel your body moving mine  
The twilight slowly turning  
I watch you walking away

You give me love, you make me shine  
Clear in the midnight sky  
My fantasy makes me shine  
Clear in the midnight sky

Don't let the sun go down  
Don't be fooled by the changes you see  
Interpretations vary once in a while  
Don't close the door on me

In the darkness see you shine  
Move your body close to mine  
I'm feeling excitation  
I feel a perfect vision  
My fantasy tonight

You give me love, you make me shine  
Clear in the midnight sky  
My fantasy makes me shine

Cool as Ice, I broke away, did I  
Catch your love in time  
More communication  
More communication, that's all I need  
And like a star I'll shine

You give me love, you make me shine  
Clear in the midnight sky  
My fantasy makes me shine  
Clear in the midnight sky

In the darkness see you shine  
Move your body close to mine  
I'm feeling excitation  
I feel a perfect vision  
In the darkness see you shine  
Move your body close to mine  
I'm feeling excitation  
I feel a perfect vision  
I'm feeling excitation  
I feel a perfect vision  
My fantasy tonight

You give me love, you make me shine...
