

Lose Yourself

ABC

you're gaining so much
you're losing your spark
swimming with dolphins
slumming with sharks
either way the city
drives you crazy
after dark

tell it like it is
you don't have to die
before you live
lose yourself
to find yourself sometimes
confuse yourself
and blind yourself sometimes

you're gaining so much
so scared you might drown
all your prized possessions
are bringing you down
either ways not pretty
going crazy in this town

tell it like it is
you don't have to die
before you live
lose yourself
to find yourself sometimes
confuse yourself
and blind yourself sometimes

yeah sometimes

lose yourself
to find yourself sometimes
confuse yourself
and blind yourself sometimes

lose yourself
to find yourself sometimes
fool yourself
blind yourself
sometimes
sometimes
sometimes
sometimes
sometimes
