

## Seven Day Weekend

ABC

See the girl in the cabriolet  
I'm gonna make her mine someday  
The traffic stops and she steps out  
Every man starts to scream and shout  
There's a space in the week  
It's a date i can keep, oh yeah

Seven day, seven day, seven day  
It's a seven day weekend  
Seven day, seven day, seven day  
It's a seven day weekend

See the girl in the pale peach dress  
She's got a body build to caress  
Like a one-eyed cat  
Outside a seafood store  
She's got me begging  
More, more, more  
I've been saving and saving  
And saving my money  
To spend it on her

(2x)

seven day, seven day, seven day  
It's a seven day weekend  
Seven day (seven day)  
Seven day (seven day) seven day  
It's a seven day weekend  
Seven day (seven day)  
Seven day (seven day) seven day  
It's a seven day weekend
