

Seven Day Weekend

ABC

See the girl in the cabriolet
I'm gonna make her mine someday
The traffic stops and she steps out
Every man starts to scream and shout
There's a space in the week
It's a date i can keep, oh yeah

Seven day, seven day, seven day
It's a seven day weekend
Seven day, seven day, seven day
It's a seven day weekend

See the girl in the pale peach dress
She's got a body build to caress
Like a one-eyed cat
Outside a seafood store
She's got me begging
More, more, more
I've been saving and saving
And saving my money
To spend it on her

(2x)

seven day, seven day, seven day
It's a seven day weekend
Seven day (seven day)
Seven day (seven day) seven day
It's a seven day weekend
Seven day (seven day)
Seven day (seven day) seven day
It's a seven day weekend
