

# The Look of Love

ABC

When your world is full of strange arrangements  
And gravity won't pull you through  
You know you're missing out on something  
Well that something depends on you

All I'm saying  
It takes a lot to love you  
All I'm doing  
You know it's true

All I need now  
There's one thing  
Yes, one thing that turns this gray sky to blue

That's the look, that's the look  
The look of love  
That's the look, that's the look  
The look of love  
That's the look, that's the look  
The look of love

When your girl has left you out on the pavement  
(Goodbye)  
When your dreams fall apart at the seams  
Your reason for living, your reason for leaving  
Don't ask me what it means

Who's got the look?  
I don't know the answer to that question  
Where's the look?  
If I knew I would tell you

What's the look?  
Look for your information  
Yes, there's one thing, one thing that still hold true  
What's that?

That's the look, that's the look  
The look of love  
That's the look, that's the look  
The look of love  
That's the look, that's the look  
The look of love

That's the look, that's the look  
The look of love  
That's the look, that's the look  
The look of love  
That's the look, that's the look  
The look of love  
(Look of love)

If you judge a book by the cover  
Then you judge the look by the lover  
I hope you'll soon recover  
Me, I go from one extreme to another

And though my friends just might ask me  
They say, "Martin, maybe one day you'll find true love"  
I say, "Maybe there must be a solution  
To the one thing, the one thing we can't find"

That's the look, that's the look  
Sisters and brothers  
That's the look, that's the look  
Should help each other  
That's the look, that's the look  
Ooh, ooh Heavens above

That's the look, that's the look  
Hip hip hooray  
That's the look, that's the look  
Yippee ai yippee aiay  
That's the look, that's the look  
Be lucky in love  
Look of love
