

## Tower of London

ABC

Let me take you to Trafalgar Square  
Let me take you there  
Every street's a fashion catwalk  
Everyone's debonair  
Let me take you to Piccadilly  
Guess it leads somewhere

Tower over centuries, tower over London  
Tower up and frankly I'm amazed  
What's done cannot be undone, not here not in London  
What's done can never be erased

So, tower up! It's those little things  
Make life interesting, Tower of London!  
Tower up! Wasting time  
Yours and mine, Tower of London!  
Hip London! Hip London!

Let me take you to St.James' square  
Let me groove you there  
Diplomats get target practice  
In the open air  
Psychobillies scream blue murder  
Then they hit Mayfair

Tower over centuries, tower over London  
Tower up and frankly I'm amazed  
What's done cannot be undone, not here not in London  
What's done can never be erased

So, tower up! It's those little things  
Make life interesting, Tower of London!  
Tower up! Wasting time  
Precious time, Tower of London!  
Tower up! I'll meet you there  
I'll be there, Tower of London  
New York! Don't make me laugh  
I've seen photographs, Tower of London...
