## **Rockabye Dixie**

## Abigail Washburn

Me and Dixie, we'd waste away Sleep thru the night and all the next day Sleep thru the sun, rain, and moon here in this room

Oh, rockabye my Dixie child Oh, rockabye my Dixie child

Me and Dixie, we rolled and dreamed Time held us alone in this world it seemed Then morning broke and awoke you from me

So, come back Dixie, I'll rock you to sleep Back to our dreams, our twisted sheets Cradle your fading stars in my arms
