

## Strength Of Another World

Abigail

November horizon twilight  
Glow red with war-star  
Spirit of ages rebirthed  
Finding fire and no speak

On rocks and shoals of Blood Sea  
A fortress of unrighteousness...  
Moonrise dance invoke frenzy  
Full face shadow cast

Twisted oath find favor  
And praise by legion sons  
Mocking cries rise to cloud tops  
Their mass celebrate no second...  
Coming!

Strength of other world  
Faith of other world  
The winged serpent regal  
Wrapped cloak shroud darkness

Spirit of ages rebirthed  
Finding fire and no spark  
Wrapped cloak shroud darkness  
Strength of other world...
