## **Strength Of Another World**

**Abigail** 

November horizon twilight Glow red with war-star Spirit of ages rebirthed Finding fire and no speak

On rocks and shoals of Blood Sea A fortress of unrighteousness... Moonrise dance invoke frenzy Full face shadow cast

Twisted oath find favor
And praise by legion sons
Mocking cries rise to cloud tops
Their mass celebrate no second...
Coming!

Strength of other world Faith of other world The winged serpent regal Wrapped clock shroud darkness

Spirit of ages rebirthed Finding fire and no spark Wrapped cloak shroud darkness Strength of other world...
