Battlestar Abigor

A fallout force - a fatal vision Battlestar Abigor Decolour the universe in its purest shape Give birth to the constant of death Immortality and departure of the eternal stardust Reveal the eye of the phantom throne... Passage from another universe Into the 7th dimension Distortion and microcosmical revelation Corrosive devastating fire - the rage takes us higher Analyzed is now your mind Neutralized the human kind Battlestar Abigor - alignment of Satan Battlestar Abigor - like a planet that explodes For this is the dawn of the new age Refuse unknown - glory to be shown Electromechanical precision Objects termination Our legions are armed - mass murder, art Collective homicide - fear worldwide We're the kings of starlight The beast that tore from inside Our legions are armed - mass murder, art Collective homicide - fear worldwide Life's pain has come to an end So face the demon unchained And visualize fortress hell

Abigor
