

# Dominion of Dust

Abney Park

Dominion of dust  
Your city of sand  
Built your world of nothing  
So how long did it stand?

A hundred years  
Now wasn't it grand  
Built your world of nothing  
So how long did it stand?

What did you think  
would happen?  
When did you think  
it would all fall down?

Dominion of dust  
Your city of sand  
Built your world of nothing  
So how long did it stand?

A hundred years  
Now wasn't it grand  
Built your world of nothing  
So how long did it stand?

What did you think  
would happen?  
When did you think  
it would all fall down?

(Domain of dust  
In the land of sand  
Did yourself right?  
And let's feel grand x3)

(Domain of dust  
In the land of sand  
Now there's nowhere  
left to stand)

(Domain of Dust x4)

What did you think  
would happen?  
When did you think  
it would all fall down?

What did you think  
would happen?  
When did you think  
it would all fall down?
