

# Night train From Saint Petersburg

Abney Park

Hello London  
Hello Paris  
Hello Barcelona, what a glorious night  
When the dawn comes, I'll be long gone  
When you wake I'll be in the sky

Hello Brisbane  
Hello Boston  
Hello Seattle, your a glorious sight  
When the sun rise, I'll be long gone  
When you wake I'll be in the sky

We took a night train from St Petersburg to Moscow  
We took a redeye from Brisbane to L.A.  
And though I cannot say it's always been relaxing  
I've met a lot of lovely people along the way
