

On A Good Day

Above & Beyond

A little bit lost and a little bit lonely
Little bit cold here, a little bit of fear

But I hold on and I feel strong
And I know that I can
I'm getting used to it
Lit the fuse to it
Like to know who I am

I've been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me on a good day

I'm a little bit hemmed in
A little bit isolated
A little bit hopeful
A little bit calm

But I hold on and I feel strong
And I know that I can
I'm getting used to it
Lit the fuse to it
Like to know who I am

I've been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me on a good day
