Above This

The days we count down to see a change in this life  
We'll make a change and we're taking this town tonight  
We're taking this town tonight  
Stomp your feet on the fucking ground  
Watch me ill fucking snatch this, I see you eyeing me  
But you can never have this, I remember you  
You said you knew me, but now I'm big and all you wanna do is screw me bitch  
(2x) Tell me all your secrets, let me see your weakness  
Pull back the curtains and let this light shine right through  
Your far from perfect, oh I just wanted you to see that you were nothing to me  
Pull back the curtains and let this light shine right through to you  
Hold your fucking tongue, oh  
Hold your fucking tongue  
False steps led to, these times were so difficult, step back that  
at crazy bitch  
Im warning you, your next on my list push back the pit I'm done  
with all your shit  
FUCK THEM UP  
(4x) Bring the pussy to his knees
