

# Take Care of Me

Abra Moore

As fast as a river  
As deep as an ocean roar  
As big as a mountain  
Full of emotion

I don't want to be strong anymore  
I just want to lay here on the floor  
Don't want to have to be brave all the time  
I just need to rest for a while

Won't you take care of me  
Could you hold me up? I keep falling  
Won't you take care of me?  
Could you dust me off I've been crawling

Can you feel it?  
It's life, yeah  
Can you feel it?  
That's right

I can feel me falling into the sky  
I'm blowing away in the wind  
But we won't ever have to say goodbye  
I'm just leaving this life that I'm in

Everything keeps opening  
All these endings and beginnings  
Make it stop

I don't want to be strong anymore  
I just want to lay here on the floor  
Don't want to have to be brave all the time  
I just need to rest for a while

Won't you take care of me?  
Could you hold me up I keep falling  
Won't you take care of me?  
Could you dust me off I've been crawling

I can feel me falling into the sky  
I'm blowing away in the wind  
We won't ever have to say goodbye  
I'm just leaving this life that I'm in

Can you feel it?  
It's life  
Can you feel it?  
It's life  
Can you feel it?

Can you feel it?  
It's life  
Can you feel it?  
It's life  
Can you feel?
