

## Drink The Filth

Abscess

The power is in the blood

Baptize me in the blood of the enemy

Razorblade open up the vein

Drink the filth!

It's time to cut your fucking throat

Drink the filth!

Baptize me in the blood of the enemy

Razorblade open up the vein

Drink the filth!

It's time to cut your fucking throat

Drink the filth!

The army of rats are with you

The plague will follow

Razorblade open up the vein

Drink the filth!

It's time to cut your fucking throat

Drink the filth!
