

# Serpent Of Dementia

Abscess

Breathe your fears deep  
Twist the knife darkly  
Again and again and again  
And again and again  
Serpents tongue slithers  
The poison flows swift  
Await eternal sleep  
Foaming at the mouth  
Bloody fists and fingers  
Tearing at the sky  
Taste of doom's breath  
Mind turned to rubble  
Burn burn burn burn burn

Engorged with filth  
Cemetery screams  
Heart imploding  
Into bloodied dreams

[Chorus:]  
Serpent of dementia  
Mental disintegration  
Serpent of dementia  
Die in morbid elation

Arms outstretched  
To oblivion  
Final sleep  
Under the rotting sun

Rape of veins: orgasmic doom  
Mind and nervous system blown  
Penetration in the tomb  
Tail tightly around your throat
