

## Wriggling Torsos

**Abscess**

Thrown into a Vat of Freaks  
Bundles of Flesh with no Arms or Legs  
Sweating Aroused and Ready to Cum  
They Writhe on You and Bust their Eggs  
Licking Your Body Gyrating Nubs  
Pit of Torsos with Heads in Lust  
Wriggling Writhing Orgy of Flesh  
Against Your Face Their Groins they Thrust
