

Deception

Absurd Minds

you think that I`m heartless.
they believe that I have a heart of stone,
cause it doesn`t make any difference to me,
- if it`s a grain of sand or if it`s a human being.
I`m not heartless.
you`ve got to know I ain`t got a heart of stone,
cause I distinguish between truth and illusion.
I tell them apart.

I remember you. you create the world.
everything you see is a deception.
I remember you. you create the world.
I`ll find my way home.

when you think you know it all,
you know nothing.
when you think you know all
about your life,
you know nothing ; you start to die.
my brain has gotta put together
pictures of thought and sight.
those constitute the mind.
in my mind one resembles the other.
there is no chance to grade.
