

## Moodswing Baby

Absynthe Minded

It takes just a second  
And everything is changed  
She's got a mindset  
And sees things her way  
We go to the movies  
She walks out halfway  
The plot couldn't move her  
She's got no time to waste

She never said I am the one  
I gotta do the best I can  
She changes her mind overnight  
Sometimes when i look into her eyes  
I know what makes it all worthwhile

She's my moodswing baby  
She's at it again  
Never a dull moment  
And I can have it  
I cannot resist her  
She's under my skin  
And I'm here to please her  
She's here to win

She never said I am the one  
I gotta do the best I can  
She changes her mind overnight  
Sometimes when i look into her eyes  
I know what makes it all worthwhile

She's my moodswing baby (3x)

And it don't mean a thing  
if it aint got that swing

She never said I am the one  
I gotta do the best I can  
She changes her mind overnight  
Sometimes when i look into her eyes  
I know what makes it all worthwhile
