

# Turn Me Up

Abz

Well I know you heard about girl how I like to  
When I do my thing when I'm in the mood  
And if you want girl we can freak, on that dirty week  
Girl I think I'm falling for you

Yeh, you're giving me those feelings  
You're making me go crazy  
I'm talking to you laydee  
Make me be, make me be...

Your turning me up  
Your turning me down  
Your fooling around and around  
You turn me inside out

Your turning me up  
Your turning me down  
I'm turning around and around  
Without my feet on the ground

Ba da da da da  
Yeh C'mon  
Let me do it again

Always get myself caught up in situations (situation)  
I'm always feeling on the side of desire (desire)  
But the only thing I've found  
It ain't cool when you're around (you're around)  
Cause I'm burning girl  
You set me on fire

You're making me go crazy  
I'm talking to you laydee (layyydddeee)  
Make me be, make me be...

Your fooling around and around  
You turn me inside out

Your turning me up  
Your turning me down  
I'm turning around and around  
Without my feet on the ground

Your turning me up
