

Borrowed Time

AC/DC

Got the word, getting ready
Gonna get my pay from?
I'm in light
When the action is hot
No town, no city
Gonna be free from the jumping jack
Kiss of life, getting gritty
If the mule don't kick you know the mule don't ride
And I know, yes I know, well I know
That's the way to go
And I know, and I know
And I know that I'm gonna get it down the road

Cause I'm living on a borrowed time
Do it your way, I'll do it mine
Living on a borrowed time
Don't need a shove, don't need a sign

Call me names, call me crazy
Don't try to stop me when I feel this way
It's a game, (whoopsy daisy?)
Here comes another girl to make my day
And I know, yes I know, well I know
That's the way to go
And I know, yes I know
I'm gonna get up when I'm up on the road

Cause I'm living on a borrowed time
Do it your way, I'll do it mine
Living on a borrowed time
Don't need a shove, don't need a sign
(so long, goodbye, good luck, au revoir baby)
(look out people, never let me loose)

Cause I'm living on a borrowed time
Do it your way, I'll do it mine
Living on a borrowed time
Don't need a shove, don't need a sign
I don't need a sign to show me the way

I don't need a sign to show me the way
