

# Cover You in Oil

AC/DC

I like to slip into something good  
I see a young girl in the neighborhood  
The way she move, I must confess  
I like to run my hands up and down her legs  
The way she dress, she look so fine  
I'll make her wet, I'll make her mine [Gonna make her mine]  
She like it hard, she like it slow [She don't like it slow]  
All right honey, come on lets go

Baby, what you want, it's the way she move [Baby, feel what you want]  
Feel what you need, come on let's go [Baby, feel what you need]

Cover you in oil  
I wanna cover you in oil [Let me cover you in oil]  
Let me cover you in oil [I wanna cover you in oil]  
Cover you in oil [Let me cover you in oil]  
[Yeah]  
Pull on the zip, she give good lip service  
It's nothing for the show, I just pay to see her go  
She make you hot, you spray your lot  
[So] Comin' in honey, we're headin' to the top  
The way she push, don't give a dime [she don't give a dime]  
Abuse your life, gonna make you satisfied  
She's kinda rough, she give it tough  
Come on honey and strut your stuff

Baby [feel] what you want, it's the way she move  
[Baby,] Feel what you need, come on let's go

Cover you in oil  
I wanna cover you in oil [Cover you in oil]  
Let me cover you in oil [I wanna cover you in oil]  
Cover you in oil [Let me cover you in oil]

Baby what you want  
It's the way she move me  
Feel what you need  
So come on let's go - yeah

Let's go
