Flick of the Switch

AC/DC

A power force you should feel
She devil she evil
She's get you screamin' on a lightnin' machine

With a flick of the switch
Flick of the switch
She'll blow you sky high
With a flick of the switch
Flick of the switch
She can satisfy
Give you pain
Blow your brains

Flick the switch
Flick the switch
With a flick of the switch she'll blow you sky high
With a flick of the switch she can satisfy
With a flick of the switch gonna burn you down
With a flick of the switch raise to the ground
With a flick of the switch
With a flick of the switch
With a flick of the switch she gonna give you pain
With a flick of the switch she gonna blow your brain

Blow your brain
She gonna put the light out on
