Well there be no words of fighting around here 'Cause nothin' don't matter 'cause it ain't clear Well it could be on a Monday Or it could be even Sunday So if you can't stand the distance You better disappear Do I make myself clear I'm ready to rock I'm gonna rip it Ready to rock yeah I'm gonna stick it Give it up give it out Whip it up all about Stick it up shout it loud Give it up, give it up Give it up, give it up Well there's a big storm a howlin' around here And there be no wine no sinnin' and no beer I'm gonna aim to fire a rocket There ain't no damn way to stop it I got a sure fire bullet To get you outta here I said do I make myself clear I'm ready to rock yeah I'm gonna rip it Ready to rock yeah I'm gonna stick it Give it up give it out I said whip it up all about You gotta stick it up shout it loud Come on, give it up, give it up Give it up, give it up I'm going crazy on a wild man's night Take your pick of anything you like Give it up Give it up Sitting pretty on the ready to bite Givin' up a bit of cream delight Give it up give it out Whip it up all about You gotta stick it up shout it loud Give it up all around (givin' it up) Give it up, give it up, give it up (givin' it up) ... (givin' it up) Stick it up, stick it up, stick 'em down (givin' it up) Give it up all around Give it up, give it up Give it up, give it up

Givin' it up, stickin' it up

Givin' it up, givin' it up

Give it up
Do I make myself clear?
