

# Hail Caesar

AC/DC

He be the count of Monte Cristo  
Could be a quake any day  
Maybe somebody from Siam  
Begin the era of a new rage

Keeps lickin' all the honey  
Chewin' up the fat he rakes  
Instead of sending to the lions  
They cover him with praise

All hail Caesar, hail, hail!  
All hail Caesar, hail, hail!

Down at the epicenter  
Things started heatin' up  
Rockin' on the Richter scale  
Swinging in the chariot

Around and around we go  
The senators rehearse the tale  
Starring in the coliseum  
Tied upon the rack

Up comes the thumb of Cesar  
To stab you in the back  
All hail Caesar, hail, hail!  
All hail Caesar, hail, hail!

Down at the epicenter  
Things started heatin' up  
Rockin' on the Richter scale  
Swingin' in the chariot

Around and around we go  
The Senators rehearse the tale  
"Watch out Caesar, watch out Caesar"  
I said hail, I said hail!  
I said hail, I said hail!  
Hail  
Hail  
Hail  
Hail  
Hail  
Hail  
Hail  
Hail  
Hail  
Hail  
All hail Caesar, hail, hail!  
All hail Caesar, hail, hail!  
All hail Caesar, hail, hail!  
All hail Caesar, hail, hail!

You need eyes in the back of your head boy  
Or you're dead
