

# Hell or High Water

AC/DC

Watch out, get outta my way  
Did ya hear what I say

Everybody, you don't have to choose it  
You don't have to prove it  
It's only rock 'n' roll  
Mama don' told me, papa don' scold me  
Superstition, black cat in the cradle  
Dancing on the table, don't you snake on me  
Mama don' scold me, daddy don' scold me  
Told me, show me  
You know that he told me

Come hell or high water, come hell or high water  
Come hell or high water, come hell or high water

Blood money, lying through your back teeth  
Fighting on the main street, breathe your last breath on me  
Mama don' told me  
Poor boy get home  
Hot loving, trigger happy feeling  
Touching up and teasing  
You know it so bad  
Mama don' told me, papa don' scold me  
Told me, showed me  
Rock 'n' rolled me

Come hell or high water, come hell or high water  
Come hell or high water, come hell or high water  
Hell, hell, hell, give em hell

Come hell or high water, come hell or high water  
Come hell or high water, come hell or high water

Come hell or high water, come hell or high water  
Come hell or high water, come hell or high water  
Come hell or high water, come hell or high water  
Come hell or high water

Come hell  
Come hell  
Come hell
