

If You Dare

AC/DC

Honey do you love me
Love me like you do
Honey won't you come outside and play
If you dare
If you dare

Yeah, heh

Honey do you love me
Love me like you do
Woman won't you come outside and play
If you dare
If you dare

Woman if you love me
Love me like you do
Love me like you say
Woman won't you come outside and play
If you dare

Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
Yeah you got some going from the fire baby

Yow, oooh
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you dare
Come on outside, come on outside, come on outside
If you, if you dare

Come outside and play
