

# Let Me Put My Love Into You

AC/DC

Flying on a free flight  
Driving all night with my machinery  
Cause I  
I got the power any hour  
To show the man in me  
I got  
Reputations blown to pieces with my artillery  
Well I'll be guiding and we'll be riding  
Giving what you got to me  
Don't you struggle  
Don't you fight  
Don't you worry cause it's your turn tonight  
Let me put my love into you babe  
Let me put my love on the line  
Let me put my love into you babe  
Let me cut your cake with my knife

Like a fever burning faster  
You spark the fire in me  
Crazy feelings got me reeling  
They got me raising steam  
Now don't you struggle  
Don't you fight  
Don't you worry cause it's your turn tonight, yeah  
Let me put my love into you babe  
Let me put my love on the line  
Let me put my love into you babe  
Let me cut your cake with my knife

Let me, let me  
Let me put my love into you babe  
Let me put my love on the line  
Let me put my love into you babe  
Let me cut your cake with my knife

Let me put my love into you babe  
Let me put my love on the line  
Let me put my love into you babe

Let me give it all  
Let me give it all  
To you  
To you  
Give it all
