

## Love Song

AC/DC

I can tell by the look in your eye  
I can tell by the way you sigh  
That you know I've been thinking of you  
And you know what I want to do

Oh Jean, Oh Jean  
Oh Jean, Oh Jean

When you smile I see stars in the sky  
When you smile I see sunrise  
And I know you've been thinking of me  
And I know how you want it to be

Oh Jean, Oh Jean  
Oh Jean, Oh Jean

I can tell by the things you say  
I can tell that you know the way  
And I know what you want me to do  
Oh, I've got hearts and flowers for you

If you leave me, you'll make me cry  
When I think of you saying goodbye  
Oh the sky turns to a deeper blue  
That's, that's how I'd feel if I lost you

Jean, Oh Jean  
Don't go and leave me  
'Cause I love, I love you, I love you, don't leave me  
It would make me cry, if you said goodbye  
Don't go away Jean, don't you leave baby baby
