Then went down to LA  
They roped 'em in  
She couldn't get away  
Spending cash all about  
The die was cast  
There's no burning out amount of money made

Work work money made  
Champagne life, high on display  
Work work money made  
Work work money made  
You keep it up, you get it made  
Work work money made

Can't bring me in to Hollywood  
See you livin' it up  
It feels mighty good  
Recommendations all around  
Come taste the sweet life  
That's what it's all about  
That money made

Work work money made  
Champagne life, high on display  
Work work money made  
Work work money made  
Keep it up, you make the grade  
Work work money made

That money made  
Hit the gas

That kind of life is good for her  
Getting outta bed nearly half past four  
Her swimming pool is the biggest about  
So don't you call her 'cuz she ain't around  
That money made

Oooh, money made  
Oooh, that money made

Work work money made  
Work work money made  
Shake it baby shake it  
Shake baby shake  
Shake baby shake
