

# Nervous Shakedown

AC/DC

Freeze said the man cruising the beat  
You get your hands up spread your feet  
Don't you move an inch I heard him say  
Or you'll be doing time until the judgement day  
And he said  
Don't tell me no lies give me alibis  
Cause if you cross my path you'll be doing life  
It's a dirty lie  
It's a shakedown (and it's a nervous shakedown)  
Another shakedown (another nervous shakedown)  
Well it's a shakedown (and it's a nervous shakedown)  
We gotta shakedown  
Another nervous shakedown

It's lookin' like a set-up

Take a dime said the man you can make one call  
You got a one way ticket to the county hall  
When then judge looked high and I looked low  
When he smiled at me it was a one man show  
He said  
2 to 5 the jury decides  
Double parole if you survive  
It's a dirty lie  
It's a shakedown (and it's a nervous shakedown)  
Another shakedown (another nervous shakedown)  
Well it's a shakedown (and it's a nervous shakedown)  
We gotta shakedown  
Another nervous shakedown

Lord they're gonna get you this time  
And throw away the key

It's a shakedown (and it's a nervous shakedown)  
Another shakedown (another nervous shakedown)  
You got a shakedown (and it's a nervous shakedown)  
We gotta shakedown

Lord they're gonna get you this time throw away the key

It's a shakedown (and it's a nervous shakedown)  
Another shakedown (another nervous shakedown)  
You got a shakedown (and it's a nervous shakedown)  
Well it's a shakedown (another nervous shakedown)

Shake it down shake it down (and it's a nervous shakedown)  
Well it's a shakedown (another nervous shakedown)  
Shake it down shake it down (and it's a nervous shakedown)  
It's a shakedown  
It's a shakedown  
On  
You  
Yes
